APPLICATION LIST

The kit includes ECU, plug&play harness, remote buttons, bracket for remote buttons, remote led, USB cable, 2 speed sensors, brackets kit (not plug&play), USB memory with software and map, user manual

KIT GRIPONE S3 TRACTION CONTROL SYSTEM

For some application of GRIPONE S3, we introduced new strategies. The strategies shown in the list are confirmed from firmware version 34

The kit includes ECU, plug&play harness, 2 speed sensor, (not plug&play) bracket kit, USB cable, CD/memory stick with software, remote buttons, remote led
